From the Pastor's Desk / Del Escritorio del Pastor

Dear Brothers and Sisters,

On behalf of Corpus Christi, I wholeheartedly welcome each and every one of you to the re-dedication ceremony as we gather to celebrate as a community of faith. This local parish is a church, a home and a family to more than 60 nationalities. When you look around, you can't help but admire our uniqueness. I thank God for making Corpus Christi one of the most diverse parishes in the Archdiocese of Atlanta.

This church was first dedicated on October 20, 1974 and the images from that occasion reflect a predominately Caucasian membership. Today, 42 years later, we have gone through a demographic metamorphosis. Following the 1996 Olympics in Atlanta, this area became a safe haven for immigrants and refugees.

The members of Corpus Christi reacted with openness and welcomed them, making our parish a miniature representation of the United Nation. As your current pastor, I must thank my predecessors who planted the seeds that we are harvesting today. I would also like to thank the committees and groups past and present who have helped build this community. I would like us all to take a moment to honor and reflect on those who are now deceased who devoted their lives to this parish. May God reward them as faithful servants.

As we move forward, let us take Corpus Christi to another level. Let us be open to the sign of the time bearing in mind there is nothing we cannot achieve if we are united. There will be challenges, but let us find ways to grow and mature from them. I believe with tolerance, patience and respect, we will be a representation of heaven: Home for all of God's children no matter where we come from.

With Love,

Fr. Paschal

Queridos hermanos y hermanas,

En nombre del Corpus Christi, doy la bienvenida a todos y cada uno de ustedes a la ceremonia de dedicación al reunirnos para celebrar como una comunidad de fe. Esta parroquia local es una iglesia, un hogar y una familia de más de 60 nacionalidades. Cuando miras a tu alrededor, no se puede dejar de admirar nuestra singularidad. Doy gracias a Dios por hacer Corpus Christi una de las más diversas parroquias de la Arquidiócesis de Atlanta.

Esta iglesia fue dedicada en primer lugar el 20 de octubre de 1974, y las imágenes de esa ocasión reflejan una admisión predominantemente blanca. Hoy en día, 42 años después, hemos pasado por una metamorfosis demográfica. Después de los Juegos Olímpicos de 1996 en Atlanta, esta área se convirtió en un refugio seguro para los inmigrantes y refugiados.

Los miembros del Corpus Christi reaccionaron con apertura y les dieron la bienvenida, por lo que nuestra parroquia una representación en miniatura de las Naciones Unidas. A medida que su actual párroco, debo agradecer a mis predecesores que plantaron las semillas que estamos cosechando hoy. También me gustaría dar las gracias a los comités y grupos de pasadas y presentes que han ayudado a construir esta comunidad. Me gustaría que todos nos tomamos un momento para honrar y reflexionar sobre los que ahora fallecido que dedicó su vida a esta parroquia. Que Dios les recompensa como fieles servidores.

A medida que avanzamos, tomemos Corpus Christi a otro nivel. Estemos abiertos a la señal del cojinete tiempo en mente que no hay nada que no podemos lograr si estamos unidos. Habrá desafíos, pero vamos a encontrar maneras de crecer y madurar de ellos. Creo que con la tolerancia, la paciencia y el respeto, vamos a ser una representación del cielo: Hogar para todos los hijos de Dios, no importa de dónde venimos.

Con Mucho Cariño!

P. Pachal

In January of 2016 construction began to improve our facilities. This work has been funded by the Capital Campaign that was started in 2014 to help renovate our buildings which were in need of significant repairs and maintenance. The plan was comprehensive, touching urgent building needs, like the roof, as well as improvements to elevate the functionality in spaces such as our restrooms. Through the generosity of parishioners, we have achieved great things. The exterior of the building has a new finish, the inside of the sanctuary has new flooring and upholstery, we have completely renovated both restrooms in the vestibule and are continuing to work together to make other improvements to spaces like our kitchen. To see the full plan, please visit our website at www.corpuschristicc.org and click on "Capital Campaign" in the main menu.

El exterior del edificio tiene un nuevo acabado, el interior del santuario tiene un piso nuevo y la tapicería, hemos completado las renovaciones de los dos baños en el vestíbulo y seguimos trabajando juntos para hacer otras mejoras a espacios como la cocina. Para ver el plan completo, visite nuestro sitio Web en www.corpuschristicc.org y hacer clic en "Campaña de Capital" en el menú principal.
