

### **Corpus Christi SVdP Annual Report**

For FY 2018-2019, from the collection plate, member donations, government grants, thrift store proceeds, and help from other conferences, your Corpus Christi SVdP conference raised over \$133,000.

With those proceeds, the conference assisted over 3,782 people in the local community with food, clothing and furniture valued at \$103,217. The conference also provided housing and utility financial assistance valued at \$72,506.

At Thanksgiving, your conference provided food baskets to over 155 families and at Christmas to over 165 families.

Corpus Christi SVdP volunteers expended over 15,000 man-hours, operating the thrift store, the family support center, and the food pantry, distributing food, sorting through donations, testing donated items to ensure functionality, picking up donations, meeting with clients, administering this program and a myriad of other tasks.

Thank you for all your support. Your conference could not do its ministry without you!!
