

Our Mission

Little One's child care center was founded and is still managed today based on the importance of children's needs for mental and physical stimulation in a loving, nurturing and spiritual environment. Our goal is for each child to know and appreciate their uniqueness and the special friend they have in Jesus.

Enrollment

We enroll children 18 months to 5 years. All 3 year olds and above must be potty trained by September 1. Class designation is determined by the child's age as of September 1st. The Preschool Hours are 7:00 a.m.-6:30 p.m. We're open year-round.

Pre-School Program

Our Parents say...

“I love the one-on-one attention my daughter receives. She knows all her teachers and feels comfortable going to school everyday.”

“The love, laughter, hugs, and smiles—those are my favorite parts!”

“A nurturing Catholic Environment is important to our family. We appreciate the fact that our children are growing in our families’ faith.”

“The tears of, ‘I don’t want to go,’ have turned into, ‘Hurry, I’m ready!’ after only two weeks!”

“The center based format is what I like about the program. My son has a variety of experiences to prepare him for his next educational experience—elementary school.”

WE PROVIDE:

Loving Teachers

The low student to staff ratio and the uniqueness of our program allows each to student to receive the loving care they deserve. Each child is treated as an individual. Their uniqueness is cherished and their special skills and abilities are enhanced and explored through each staff member, as they bring a loving and positive attitude, and are committed to their work.

Center Based Format

Each child participates in age appropriate “centers” that specialize in different curricula, such as music, computers, science, dramatic play, reading, manipulatives, and art.

Programs

Extended care options are available with a variety of drop-off and pick-up times for your convenience. Our USDA food program includes breakfast, lunch, and snacks! They are nutritious, balanced, and kid friendly.

Special Days

Play is children’s work, and we have raised this to an art form! Laughter and fun are on the agenda every day. Our Special Days happen once a month and include Pajama Day, Riding Day, Hat Day, and even Nature Day. We also celebrate traditional holidays with special parties.

Love!

We teach our children how to love and live like God wants us to. We lead by example with prayers before meals, songs of joy and special teachings such as manners month.
